

For its 10th edition in 2016, 10 galleries were selected to choose an artwork they considered to be a contemporary masterpiece. In 2017, the MASTER NOW circuit occurred again. In 2018, visitors will be able to see contemporary masters of drawing selected by Philippe Piguet from about 20 galleries and presented in an itinerary along the fair. These masterpieces are displayed on the galleries booth and the fair visit guide in a circuit along the gallery stands under the glass-roofed Carreau du Temple.

This MASTER NOW circuit can be followed through the fair.
