

SHUTZENHÖFER 2019

humans, table and chair

OPENING: Wednesday, March 23, 2022, 5 to 9 pm*

Dominikanerbastei 10, 1010 Vienna

Exhibition duration: March 23 until June 2022

Since 1994, the *galerie gugging* has been exhibiting works by the *Gugging Artists* and their international artist colleagues, representing them on the international art market, strengthening their national & worldwide appeal and promoting unknown artists.

A good three decades later, the time is ripe to build a bridge from Gugging to Vienna and to create a place of encounter in the centre of Vienna: in our *galerie gugging vienna* with Marco Simonis Bastei10. On March 23, our Gallery of Senses will be ceremonially opened with the exhibition “**humans, table and chair**”.

In addition to the world-famous *Gugging Artists Oswald Tschirtner & August Walla*, who will be celebrated at the same time in Gugging with the “food-inspired” exhibition *MELLITIUS.!*, other exciting artworks will be on display. Look forward to works by **Helmut Hladisch, Heinrich Reisenbauer, Arnold Schmidt, Günther Schützenhöfer, Leopold Strobl, Christa Wiener, and Junko Yamamoto**.

As culinary highlights our *galerie gugging* Signature Dishes in a salty as well as sweet version await you, which have been created especially for our Gallery of Senses by Marco & Ulli Simonis.

Visit us in our *galerie gugging vienna* at Dominikanerbastei 10.

We are looking forward to welcoming you!
