

galerie gugging vienna
humans, table and chair

Opening: March 23, 2022, 5 – 9 pm

Duration: March 24 until June 2022

The time is ripe to build a bridge from Gugging to Vienna and to create a place of encounter in the city centre. From now on, we are happy to present more wonderful works by the *Gugging Artists* and their international colleagues in our *galerie gugging vienna* in the heart of Vienna, with Marco Simonis Bastei10. On March 23, our gallery of senses will be ceremoniously opened with the exhibition “**humans, table and chair**”.

Curator Irina Katnik is already waiting in the wings: *“The title of the exhibition was taken from a work by the master of minimalism **Oswald Tschirtner** and reflects exactly what characterises our branch: an oasis of well-being, where lively conversations can be held over good food and wine.”*

In addition to the world-famous *Gugging Artists* **Oswald Tschirtner & August Walla**, who will be celebrated at the same time in Gugging with the food-inspired exhibition *MELLITIUS.!*, other exciting artworks will be shown. Look forward to works by **Helmut Hladisch, Heinrich Reisenbauer, Arnold Schmidt, Günther Schützenhöfer, Leopold Strobl, Christa Wiener** and **Junko Yamamoto**.

As culinary highlights our *galerie gugging* Signature Dishes in a salty as well sweet version await you, which have been created especially for Gallery of Senses by Marco & Ulli Simonis.

Visit us at our *galerie gugging vienna* at the Dominikanerbastei 10. We are looking forward to seeing you!
