Since 1994, the *galerie gugging* has been exhibiting works by the *Gugging Artists* and their international artist colleagues, representing them on the international art market, strengthening their national & worldwide appeal and promoting unknown artists. A good three decades later, the time is ripe to build a bridge from Gugging to Vienna and to create a place of encounter in the centre of Vienna: in our *galerie gugging vienna* with Marco Simonis Bastei10.

In our second exhibition at the *galerie gugging vienna* a special premiere will take place, presenting artworks by the renowned fashion designer **Christopher Kane** for the first time, who will open his **curated by christopher kane** exhibition in Gugging on June 22. Look forward to “**christopher kane & friends**”, where a dream in neon, glitter & haute couture – hand in hand with the works of the *Gugging Artists* & their colleagues – awaits you. In addition to the works by **Christopher Kane**, works by **Basel Al-Bazzaz, Manuel Griebler, Johann Korec, Arnold Schmidt, Leopold Strobl, Oswald Tschirtner** and **Karl Vondal** will also be on display.

Visit us at our *galerie gugging vienna* at Dominikanerbastei 10. Don't miss it!
