

vario diafano | art brut -inter-national

OPENING: November 9, 2022, at 6:30 pm

galerie gugging vienna | Dominikanerbastei 10, 1010 Vienna

Exhibition duration: November 10, 2022, until February, 2023

vario diafano – is the title of our new exhibition at the *galerie gugging vienna*, where everything revolves around the theme of “diversity” this time and indeed: the selection could hardly be more diverse. You can look forward to an eclectic compilation of national and international art brut artists, where the *Gugging Artists* of course don’t miss out.

Curator Irina Katnik, who manages our gallery of senses in the heart of Vienna, already reveals some highlights: “This time we have tried to make a very special selection and focus on works that you probably don’t get to see so quickly otherwise, such as the Czech artist **Jaroslav Diviš** as well as a series of works with lovers by **Johann Korec** that are worth seeing.” In addition, sculptures by the versatile artist **Loys Egg** will be presented, whose joint exhibition with **Oswald Tschirtner** “**The design of reality is unsatisfactory.**” is currently on view in Maria Gugging. **Simone Pellegrini**’s work **vario diafano** may not be missing, of course, as it was responsible for the naming of this exhibition. **Pellegrini** can currently be admired with his meanwhile largest work at the *museum gugging*, as well as Michel Nedjar, who is represented at the *galerie gugging vienna* with a finger painting. Furthermore, you can look forward to works by **Basel Al-Bazzaz**, **Misleidys Castillo Pedroso**, **Johann Garber**, **Manuel Griebler**, **Julia Hanzl**, **Christopher Kane**, **Johannes – Lejo – Lechner**, **Margot**, **Heinrich Reisenbauer**, **Leopold Strobl** and **Christa Wiener**.

Visit our fourth exhibition – **vario diafano** – at the *galerie gugging vienna* | Dominikanerbastei 10. Maybe you will already find a suitable gift for Christmas! We are already looking forward to your visit.
