OPENING: NOVEMBER 9, 2022, AT 6.30 PM

DOMINIKANERBASTEI 10, 1010 VIENNA

EXHIBITION DURATION: NOVEMBER 10, 2022, UNTIL FEBRUARY, 2023

At our new exhibition **vario diafano** – title of the presented work by Simone Pellegrini – at the *galerie gugging vienna*, this time everything revolves around the theme of “diversity” and indeed: the selection could hardly be more diverse. You can look forward to an eclectic compilation of national and international art brut artists, where the *Gugging Artists* of course don’t miss out.

Curator Irina Katnik, who manages our gallery of senses in the heart of Vienna, already reveals some highlights: “This time we have tried to make a very special selection and focus on works that you probably don’t get to see so quickly otherwise, such as the Czech artist **Jaroslav Diviš** as well as a series of works with lovers by **Johann Korec** that are worth seeing.” Furthermore, you can look forward to works by **Basel Al-Bazzaz, Misleidys Castillo Pedroso, Loys Egg, Johann Garber, Manuel Griebler, Julia Hanzl, Christopher Kane, Johannes – Lejo – Lechner, Margot, Michel Nedjar, Simone Pellegrini, Heinrich Reisenbauer, Leopold Strobl** and **Christa Wiener**.

Visit us at our *galerie gugging vienna* at Dominikanerbastei 10. Don’t miss it!
