

## Sales Representative art brut, for inter-/national art market

PT / FTE

The **galerie gugging** is one of the most important international venues for the presentation and creation of unspoiled, original art with its own formal language, *art brut*. For 29 years now, the gallery has been exhibiting works by the *Gugging Artists* and their international colleagues with the aim of making their work more visible within the framework of contemporary art and promoting previously unknown artists.

At our main location in Maria Gugging, you can find the *galerie gugging*, the *museum gugging*, the *atelier gugging*, the *House of Artists* and the association *gugging friends*. All of them are part of the *Art Brut Center Gugging* – a cultural center, unique in this form worldwide, dedicated to the art movement *art brut*.

Since 2021, the gallery also has a second location in downtown Vienna.
