“ERRINNERUNGEN BEGEBNISSE VORKOMMNISSE” (AUGUST WALLA)

30 years *galerie gugging*

Opening: Wednesday, June 5, 2024, 7 pm

Exhibition duration: June 6 until October 6, 2024

The exhibition can be visited from 10 am on this day.

The *galerie gugging* is celebrating its 30th anniversary with an anniversary exhibition. The gallery has always tried to break new ground with courageous, creative and, above all, new and innovative ideas. For 30 years now, the *galerie gugging* has been exhibiting works by the *Gugging Artists* and, since 2009, also by their international artist colleagues, with the aim of making their work more visible in the context of contemporary art and promoting previously unknown artists.

“*The title is borrowed from a work by the Gugging Artist August Walla, as we have always been inspired by our artists*”, explains gallery director & curator Nina Katschnig. Rarities, classics & masterpieces by over 40 artists await you in an exquisite selection. A celebration of the work of the *Gugging Artists* and their national and international colleagues.

We look forward to welcoming you in the presence of the *Gugging Artists*, Margot, Simone Pellegrini & many others at our opening on June 5, 2024, at 7 pm in Maria Gugging. Visit us and have a look!

Cordially,

Yours Nina Katschnig & the *galerie gugging* team

With cordial thanks to our cooperation partner
