In our spring exhibition, seven unique artists come together at the ***galerie gugging*** and whisk us away into their erotic worlds. From the sexy works of the *Gugging Artists* **Johann Garber, Johann Korec** and **Karl Vondal** to the fascinating universe of **Helga Sophia Goetze**, the oriental women of **Basel Al-Bazzaz**, the naked men of **Hannes Lehner** to the extraordinary ceramics of **Julia Hanzl**.

We look forward to your visit!
